Re: Letter of Authorization for Energy Usage Information and Meter Data Access

On behalf of

I hereby:

1. Consent to Wattco Inc. collecting, using and retaining customer Energy Information for the purposes of providing energy advisory services to the customer;

2. Request, authorize and direct
to release and provide access to customer Energy Information to Wattco Inc.;

3. Request, authorize and direct utility to send a copy of all past electricity bills for the past 2 years for the Facilities to Wattco Inc.

"Energy Information" shall mean historic electricity usage data, current (i.e., as near to real-time as technically possible) electricity metering data, and historic and current electricity bill information for the Facilities.

"Facilities" shall mean the following service addresses for the Customer/Licensee, or their affiliates:
